To Whom it may concern

Dear Sir/Madam

Reference Letter: PiCompany South Africa Pty Ltd

The Transport Education and Training Authority (TETA) is honoured to provide a reference on the professional consultancy services rendered by Picompany SA to our organisation. We have been singularly impressed and have received excellent overall satisfaction ratings from participating delegates on the work done by PiCompany SA during the International program 'Creating new business opportunities in the parcel delivery industry for minibus taxi entrepreneurs'.

The program was executed in August 2014 and a study trip for the TETA board and executive management in preparation of the program was executed in March 2013.

Both programs demonstrated PiCompany's excellence in key result area's and its ability to present a tailor-made program:

- Overall design of the programs taking into account the specific needs of the taxi industry stakeholders
- Impeccable execution of the program with high quality of lecturers and company visits
- Presenting the program topics in a practical and implementable way
- Processing application forms and participating in a rigid selection process
- Evaluating the program and guidance on future implementation

Participants in the program were as diverse as SANTACO, Limpopo province Taxi Council, NATEA, NTA, Department of Transport and TETA board.

The project was a great success due to the diligent and hard work of Drs S. Rebel BEd Mmc and his team.

I would recommend PiCompany SA to other companies and institutions as they proved to be reliable, honest and knowledgeable in executing the above mentioned.

Yours faithfully

MR L B MAKAPELA
